Introduction: This manual is a guide that shows you the steps on how a student can go about his/her course registration on the PTI Eduportal.

Home Page: The screen shot below shows the various tasks that can be performed by a **bona fide student** during course registration in the Portal.

STEPS:

Step 1. Click on *Course Registration* as shown below:

Logon Page:

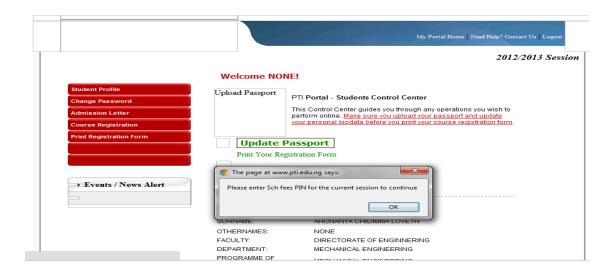

Step 2. Student *enters login credentials*, which is defaulted to *Matriculation Number both as username and Password.* These credentials can be changed by student at his convinience

Note: On successful login with the student's right credential, the application direct the student to a page where he/she is expected to type in his/her School Fee Payment PIN for fee confirmation

Below is the screen shot illustrating the next line of action

School Fees Confirmation Page:

Step 3. Student enters school fees PIN and click on continue button to navigate to student control center as shown below:

Step 4. Student clicks on student profile to update student data.

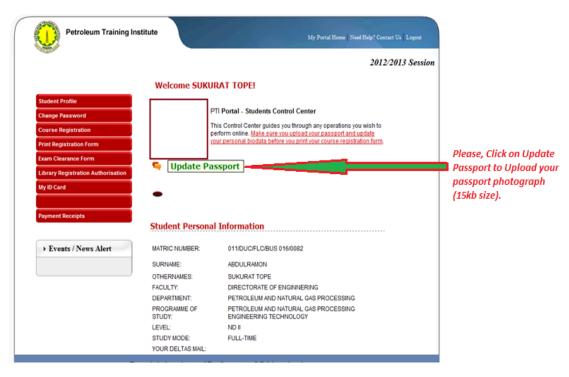

Personal Data Page: On this screen, student can modify his/her data.
